President's Report

Happy New Year and welcome back everyone for the second half of the track and field season. I hope you also had a great Christmas.

Good luck to all our athletes involved in the State Relays next week.

Parents please remember it is important to all the athletes that you help by give your assistance at an event. Please see your club team manager or their assistant about becoming a regular for your favourite event.

Be your best!

Michael Belcher, President

Training News

Training is available for Little Athletes on Thursday afternoons from 5pm. This is free of charge for registered Bacchus Marsh Little Athletes.

Please note that unregistered and/or under age children at training are not able to use the club's equipment.

Committee News

We need your help. We would like someone to become our Merchandising officer. This would involve managing stock (such as club shirts, shorts, etc), finding suppliers for tracksuit pants, etc.

We also need an Education officer who would coordinate training on Thursdays. Other parents often attend and would help and teach you what to do. Please contact President Michael Belcher or Secretary Fiona Horan if you can assist.

RECORDS & RANKING REPORT

Congratulations to Blues' Under 13 athlete Gabby Byrnes who set 2 new records at our final meet for 2011. Gabby bettered her own previous Shot Put record increasing the distance to 9.60 metres. Gabby then launched the javelin a massive 31.61m to better the previous record by 2.37m. Well done Gabby.
